JEDE TASSE EIN
GENUSS

Johann Jacobs

Dear guest,

the Renchtalhütte was the “summit station and club home” of the local skiing and hiking association for more than 50 years. In 2001 I was able to buy the hut and fulfil a long-held dream.

Starting with a clear vision of what this treasure could be, skilled craftsmen created this Renchtalhütte, our gem in the Black Forest.

You are holding our menu in your hands! It is just as special as our Renchtalhütte itself and contains a few surprises.

Hikers are always hungry and thirsty!

But our menu has more to offer: Black Forest specialities and delightful delicacies, delicious treats from our neighbours in Alsace and France ... In other words, it doesn't take a long hike to work up an appetite for the dishes we offer in the Renchtalhütte.

Those who still want to discover our beautiful Black Forest on their own two feet will

find valuable tips, tours, and sites to see for people of all ages in the brochures.

Many long-term guests confirm that they frequently look forward to repeat visits to our “gem”.

They know that they can count on quality and excellent service at this part of the “Dollenberg“.

Welcome to this magnificent patch of earth high over the Rensch valley. Let us pamper you and enjoy the authenticity of the Black Forest architecture and traditional cuisine. It will be easy to kiss day-to-day life good-bye ...

Meinrad Schmiederer
and the Renchtalhütte Team

The Real Black Forest. Really Good!

We are delighted that Renchtalhütte is getting more and more fans. And not just amongst hiking enthusiasts. The opening of the Renchtalhütte in 2003 was the fulfilment of a dream for hotelier Meinrad Schmiederer, proprietor of the famous Relais & Châteaux-Hotel Dollenberg.

The visionary project got off to a terrible start, though: his plans for renovations and remodelling went up in smoke in the winter of 2001. A disastrous fire presented Meinrad Schmiederer with a fait accompli.

True to his personal philosophy, though - if you're going to do something, do it properly - he spared no expense or effort to make the rebuilt hut as authentic as possible: Beams from two hundred year old barns were used for the interior; the walls are decorated with old-fashioned skis in the good old hut tradition, and an antique

tilled stove offers cosy warmth. The shingle-roofed hut lives and breathes the flair of hearty Black Forest hospitality.

Piece by piece - and with a lot of enthusiasm and attention to detail - the former "summit station" of the Rensch Valley Ski and Hiking Association was turned into a gem in the Black Forest.

When asked about the construction time, Meinrad Schmiederer was happy to praise the efforts of the participating craftsmen. This unique cooperation created a Black Forest attraction much beloved by all generations.

The view stretches across the central Black Forest, over the Rensch valley to the "Dollenberg", which beckons guests from all the world over. Enjoy your leisure time in peace and quiet while your children have fun at the petting zoo or the adventure playground!

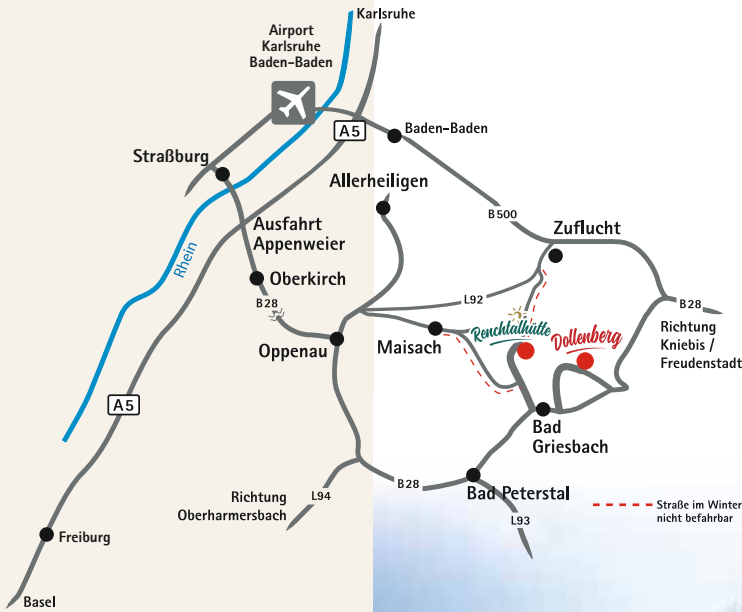

Renchtalhütte

Our **kitchen party** is widely known: dancing, a good mood, celebrities and culinary luxury in Herrmann's kitchen realm. The brunch that is offered on **Sundays and bank holidays** is a feast for all the family. The best places to celebrate are in the elegant hall of mirrors and open air in the amphitheatre.

A gastronomic experience at a height of 1 000 metres "The Wishing Table", a speciality made by DOLLENBERG.

You can also celebrate the "Dolce Vita" with exotic cocktails and coffee specialities in the bar and lobby.

Die Schmiederer Vermögensbetreuung, mit Sitz in Oberkirch, wurde von dem Ex-Banker der Familie Peter und Andrea Schmiederer im Jahre 2001 gegründet mit dem Gedanken, „vermögende Kunden suchen schon längst eine unabhängige Institution, welche ihnen dabei hilft, ihr Vermögen sicher zu steuern und die Vermögenswerte zu steigern“.

Aber nur wer eine andere Sicht der Dinge hat, kann auch mit der Routine brechen und neue Wege gehen. Besonderen Wert legt die Vermögensbetreuung auf die Individualität ihrer Kunden. Zufriedenheit und Vertrauen unserer Kunden sind für das Haus die Basis für eine gewinnbringende Partnerschaft.

GENGENBACH – Erlebniswelt zwischen Reben und Schwarzwald

Eine der schönsten Altstädte Deutschlands,
nur 45 Minuten von der Renchtalhütte entfernt.

Überall atmet Geschichte und trifft auf aufgeschlossene Gegenwart.
Entdecken Sie das vielfältige Spektrum der „Festspiel- und Kulturstadt“.

Info: Kultur- und Tourismus GmbH • Im Winzerhof • 77723 Gengenbach

Gengenbach: einfach schön!

Eines der schönsten „Städte“ Deutschlands – so die Reiseführer. Wer die Altstadt Gengenbachs betritt, glaubt sich schlagartig in ein Freilichtmuseum oder eine Filmkulisse versetzt: Makellos restaurierte Fachwerkhäuser so weit das Auge reicht, perfekt inszeniertes Kleinstadtleben, mediterrane Straßenszenen im historischen Stadtbild, weltstädtisches Flair, der Marktplatz eine Bühne reger Geschäftstätigkeit. Im harmonischen Miteinander Türme, Tore, Winkel und Gassen.

Kultur und Lebensfreude auf höchstem Niveau auch beim Gengenbacher Wein und der Gastronomie. Die Qualität – ein reich kulturelles Leben. Die Gengenbacher pflegen die Tradition und feiern gerne und oft. Im Mittelpunkt dann der Markplatz und das Rathaus das sich im Winter als weltgrößtes Adventskalenderhaus verwandelt. Jeden Abend um 18:00 Uhr während der Vorweihnachtszeit wird feierlich eines der 24 Fenster der Vorderfront des Rathauses geöffnet und ein farbenfrohes Bild tritt zum Vorschein. Die warm hinterleuchte-

ten Fenster fügen sich so Abend für Abend zu einem magischen Kunstwerk zusammen, welches einzigartig ist. Jahr für Jahr steht der romantische Adventsmarkt mit seinem einzigartigen Adventskalender ganz im Zeichen der Kunst. International renommierte Künstler wie Otmar Alt, Marc Chagall oder Andy Warhol haben bereits den Gengenbacher Adventskalender gestaltet und Ihre Kunstwerke verwandelt sich so zu einem einmaligen Wintermärchen. Aktuell präsentiert sich „Der kleine Prinz“ am Rathaus. Das Spektrum der „Festspiel- und Kulturstadt“ ist vielfältig. Allein in der Innenstadt präsentieren sich vier Museen. Sie zeigen sorgfältig aufbereitet die Themen Flößerei, Wehrgeschichte und die schwäbisch alemannische Fastnacht sowie hochkarätige Kunstausstellungen.

Lebensart und Sinn genuss gibt es auch à la carte: erlesener Gengenbacher Wein, herzhaftes Vesper, typisch badische Küche oder Gourmet-Spezialitäten. Und auch das breit gefächerte Unterkunftsangebot von der Ferienwohnung bis zum Sterne-Hotel lässt dem Besucher keine Wünsche offen.

Während sich im Herzen der Stadt quirliges Leben mit Beschaulichkeit abwechselt, erwartet einen in den Seitentälern der echte Schwarzwald.

Schwarzwaldhöfe wie im Bilderbuch und einzigartige Natur. Weite Täler, sanfte Hügel, hohe Berge, Flüsse und Bächlein.

Gengenbach: aktiv sein, durchatmen und entspannen.
